# Interpodia in Numbers

## We Unite Your Sport Under One Platform.

Our solution was designed to streamline and automate your administrative tasks around sanctioning, membership registration, waiver management, reporting & more.

**We serve across 5 nations and 20 sports, and are growing rapidly.**

**11**

**NATIONAL SPORT ORGANIZATIONS**

**100+**

**PROVINCIAL SPORT ORGANIZATION**

**3000+**

**CLUBS**

**7000+**

**EVENTS**

# Our Services for Sport Clubs

Our club membership registration software provides a seamless experience for your athletes. We streamline the sanctioning process, manage club memberships, collect waivers and renewals, sell merchandise & more.

## Club Registration Integrated with PSO/ NSO Membership

Provide your members with a streamlined registration process to join the club and the PSO at the same time.

Save time spent reconciling and validating club and program registrants have valid membership.

## Management & Reporting

From your club dashboard you can generate reports, manage registrations and member records, edit registration processes, integrate MailChimp, adjust prices and offer discounts, set up event registration, edit confirmation emails, forms and branding and more.

## Event, Program and Volunteer Registration

SnowReg provides clubs with a powerful and easy to use registration system with hundreds of features. Making it easy to manage programs and events and simple for participants to sign up.

## Customization & Branding

Every step of your member's experience, right through to their credit card statement, can be styled to reflect your club's branding.

## Club Store

Offer products to members or public, manage inventory, categories, discounts, sizing charts, and automatically generate and send event tickets or gift certificates.

## Fundraising Integrations

Offer members the option to donate during registration and easily create personal fundraising pages to campaign for donations and issue tax compliant receipts.

 Interpodia

# The World's Leading Snow Sports Registration Platform

**No more generic registration  
platforms.**

We package our powerful technology stack as a sport-specific platform perfectly configured to meet your sport's needs. Give your athletes a streamlined and personalized digital experience.

**Some of our SnowReg clients include . . .**

**Snowboard Canada**

**Alpine Ontario**

**Freestyle Canada**

**Snowshoe Canada**

# What is the Difference?

SnowReg enables the federations, clubs and events to affiliate and exist on the same platform. This connection means less admin for you and decreased risk and liability for your club and your governing bodies.

Automated checks for member's PSO/NSO registrations

3-in-1 Forms: Register for PSO/NSO during club registration

Strict waiver management & storage

Members pay club, Provincial and National fees in one transaction and payment is split and directly dispersed

Data distribution & transparency between club and provincial body

Easy & accurate reporting for governing and funding bodies

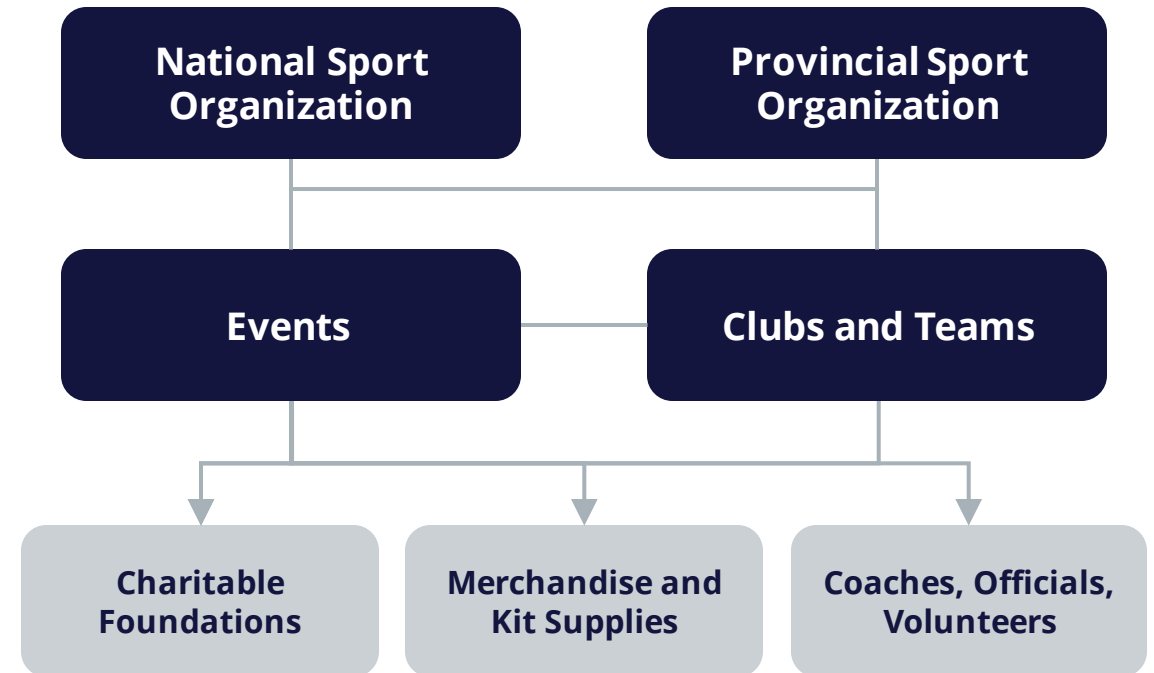

# The Ecosystem

Your club exists in an ecosystem of governing bodies, funding bodies, clubs, events and other suppliers.

By unifying these under one platform, we simplify the ecosystem, resulting in less administration, decreased risk and increased cash flow at every level of sport.

Giving you the time and money to do what you care about.  
Growing the sport you love.

## Our Sport Technology Ecosphere

**By uniting the above, we provide consistent reporting, reduce risk & increase compliance for:**

- ✓ International Federations
- ✓ Multi-Sport Organizations
- ✓ Funding Bodies/Sponsors
- ✓ Insurance Providers

# Clients & Testimonials

## Sporting Clubs

*"I was introduced to SnowReg after using multiple sports registration systems in the past and was very happy with how user friendly it was. With the assistance of our SnowReg representative we were able to create a completely custom system to cater to all of our needs and our members' needs. Having everything under one roof made the ease of registration, data collection and payment a small task to let us focus on growing the sport in the north!"*

**Andrew Goodwin,** *NWT Snowboard and Club Administrator for Ragged Riders and Fort Smith Snowboard Clubs.*

*Fort Smith*  
UNEXPECTED. UNFORGETTABLE.

**& many more.**

# Club Fee Structure

We understand that one pricing model may not work for all clubs. For this reason we offer two different models so that each club can choose the pricing model that works best for them. Once the club has selected a plan it cannot be changed for the registration season/year. Monthly fees will be billed quarterly in advance. All fees are in Canadian dollars and subject to applicable sales tax.

Fee Type	Blue Plan*	Green Plan
Registration Processing	1% + \$0.30	2.1% \$0.45
Payment Processing	2.9% + \$0.30	2.9% + \$0.30
Monthly fee	\$43	Free

\*If the Blue Plan is chosen, clubs have the option to pay for the full year upfront for extra savings of \$4/month, with the annual fee reduced to a total of \$468.00.

# Why Choose Interpodia?

Our platform is constantly updated with new features to fit our client's needs, we develop our product in collaboration with our clients to ensure a custom solution.

We are the strategic partner to sport organizations, not just a vendor or platform. We collaborate with organizations to grow participation, streamline processes and reduce risks.

You do not need to be an expert to use SnowReg and a dedicated support team are on hand. Have a fear of change? We provide training, on-boarding, and ongoing customer support.

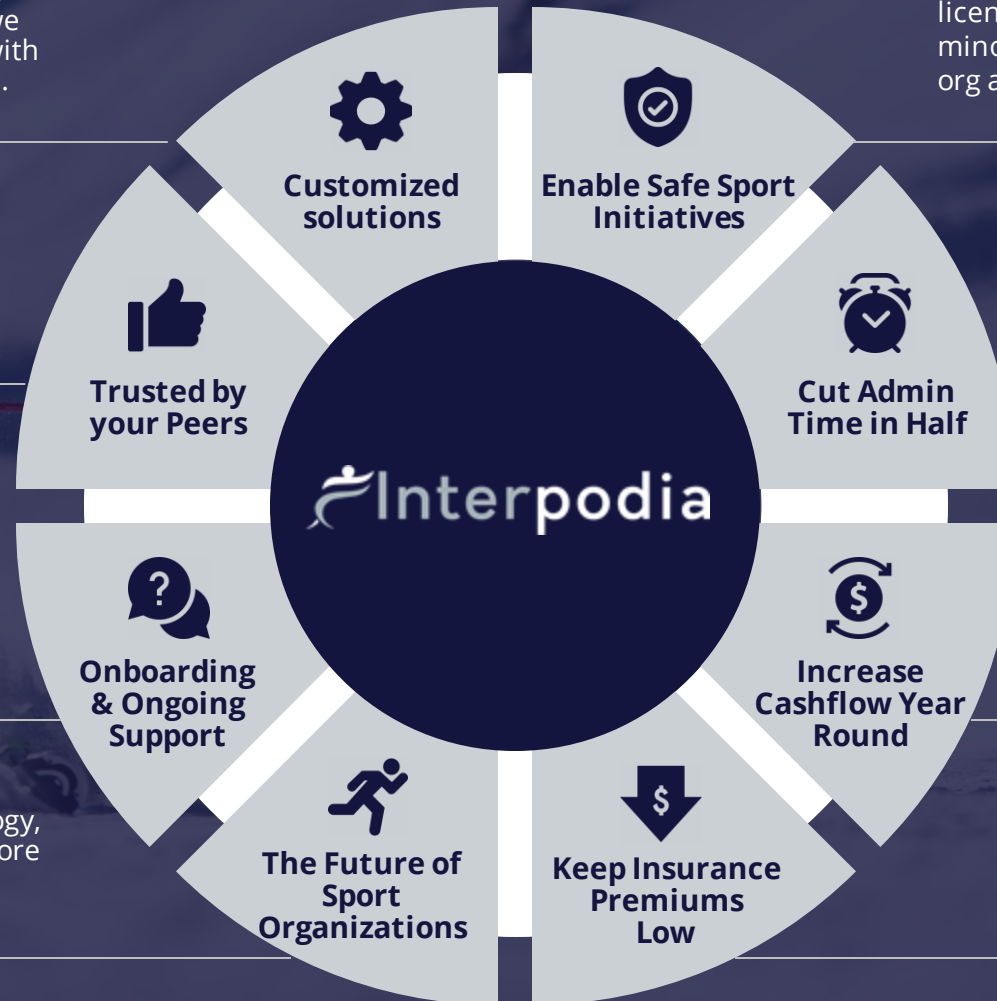

You spoke, and we listened. With our technology, you will see less time wasted on admin, and more time focused on sport initiatives, sponsorship, marketing and fundraising.

Technology advancement in strict coaching/official licensing, and waiver collection management for minors & third party's means decreased risk for your org and athletes.

Spend less time processing memberships reconciling and validating memberships.

Program registration, collecting donations, selling merchandise, payment splitting and fast payouts all contribute to improving the cashflow of the organization.

Our waiver collection and management technology manages minors and third-parties to reduce liability.

The future of sport administration is here.
