

## RIDERS ADVANCEMENT AND DEVELOPMENT PROGRAM

---

The Riders Advancement and Development Program (RAD Program) is a Canada Snowboard initiative that aims to provide development opportunities to all stages of athletes and coaches. This speed initiative will combine an introduction to Snowboard Cross with an introduction to Alpine racing through a grassroots race on Saturday, Jan 20<sup>th</sup>, and an alpine camp on Sunday, Jan 21<sup>st</sup>. This dual-discipline weekend will allow full immersion into the world of speed for riders at introductory levels to Snowboard Cross and Alpine. Riders of all ages, coaches, instructors, and para participants are all welcome to come participate over the weekend with us!

This weekend will dive into passing on knowledge to not only athletes, but coaches and instructors as well. Join Mark Fawcett to learn about course setting on Snowboard Cross and Alpine Courses before the day begins! 9:15 – 10:00 AM on Saturday on the SBX next to the Divide park, and 9:15 – 10:30 AM on Sunday for Alpine on Tin Can Alley!
