

Canada Snowboard Out of Country Training / Event Sanction Request

- ★ For your trip to be covered under CSA Liability Insurance Program, the Canadian Snowsports Association (CSA) must approve all out of country training. All clubs/teams training outside of Canada must fill in all requested information below. Athletes must have proof of appropriate out of country accident coverage that includes repatriation and helicopter evacuation (mountain rescue).
- ★ Out of Country requests need to be made at least 2 weeks prior to departure. Please ensure that athletes have purchased the appropriate level of SAIP insurance (or other approved sport accident insurance) before your sanction request has been submitted.
