OUT OF COUNTRY, EVENT & CAMP SANCTIONS + COIs & INTERNATIONAL COACHES

OUT-OF-COUNTRY SANCTION REQUEST

Clubs must submit an Out-of-Country request for any travel outside of Canada.

Approved Out-of-Country sanctions activate athletes' and coaches' out-of-country Sport Accident Insurance Policy (SAIP). Athletes and coaches will not be covered by SAIP abroad if an Out-of-country sanction request has not been submitted or approved.

It is the Coaches responsibility to ensure that ALL travelling athletes and coaches have the appropriate level of SAIP **prior** to submitting their sanction request to their PTSA/Canada Snowboard.

***Race Inscriptions ARE NOT the same as Sanction Request - (Required for CDN WCs and International FIS Competitions) All other CDN Event registration is completed through SnowReg.**

*** International Coaches must sign the CS Liability/ Supervision form if they will be coaching CS/PTSA athletes in during event training/competition days (SAIP can only be used with International coaches when tied specific to events (training days and competition days)**

***If you have athletes training with International coaches, we need to ensure they are aware they will need separate insurance to cover them for "general club training."**

***SAIP Insurance CANNOT be purchased after departure from Canada.**

***SAIP Insurance Dates begin the day the athlete or coach leaves the country and CANNOT be delayed.**

CS/PTSA MEMBERS WHO HOLD NON-CANADIAN FIS LICENSES

CS/PTSA Coaches who are coaching Non-CAN FIS Athletes during FIS Events:

Prior to a CS/PTSA Club/Coach taking supervision of a Non-Canadian FIS Licensed Athlete for any FIS Events (Including pre-race Training/Competitions) CS MUST approve the **total acceptance** by Nation in question who must assume full responsibility of the athlete including **written confirmation** by the nation that they guarantee all sections in the ICR including insurance for their athlete.

Supervision will not be approved where the CS/PTSA coach has no other CAN FIS athletes at an event. This will become a private matter between the coach and the athlete.

CS/PTSA coaches who assume responsibility of non-Canadian FIS athlete(s) during a FIS Competition **where they have no other CAN athletes participating**, do not have any CSA/CS insurance coverage available (ie. No CGL, No SAIP) for these non-sanctioned CS activities. Coaches bear the full responsibility of securing their own insurance that meets FIS requirements for their non-CS activities. Insurance is applicable during CS sanctioned activity only.

Non-CAN FIS Athletes who are Members of CSF Member Clubs:

During FIS events (including travel, pre-race training & competition dates) SAIP and CGL are not available to athletes who are representing another Nation. Under FIS Rules the Nation who holds/issued the FIS Licence is totally responsible for the athlete's insurance – liability and medical

*Non-Canadian FIS Licensed Athletes may only purchase and use SAIP only for sanctioned club training and approved non-FIS training/competitions.

*The Non-Canadian FIS athlete's Nation must submit all FIS Race Entry Forms. These cannot be completed nor submitted by Canadian Snowboard Federation.
