

RIDERS ADVANCEMENT AND DEVELOPMENT PROGRAM

The Riders Advancement and Development Program (RAD Program) is a Canada Snowboard initiative that aims to provide development opportunities to all stages of athletes and coaches. This multi-week camp at Alpine Ski Club, ON, aims to provide a weekly halfpipe training opportunity for teams and athletes. Halfpipe RAD Coach Calynn Irwin will be onsite to lead morning and afternoon training sessions with the goal to introduce halfpipe for athletes and coaches. There will be a day camp per week leading into Jr Nationals finishing on March 8th (Jr Nationals registration page). Riders of all ages, coaches, instructors, and para participants are welcome to come ride and learn about the pathway of a halfpipe rider from club to National team, the fundamental and technical skills for riding in a pipe, and how to train athletes with halfpipe competitions in mind!
